Mr. Nunnally said Massachusetts Strategic Health Group (MSHG) currently has a total surplus of \$4,161,560 year to date including over \$1,000,000 in rebates.

Mr. Nunnally presented the stop loss report through October 2021 and said we have had one member hit over 50% of the loss specific. Mr. Nunnally said we will continue to monitor this member and MSHG will be receiving \$3,308 in stop loss reimbursements.

Mr. Bienvenue added the group's financial audit is going well and once the audit is finished, the board can discuss if giving the equity buy-in back to each entity is a possibility.

### **Abacus Update**

Ms. Loiselle from Abacus presented the latest overview for the diabetes program the group has in place. Ms. Loiselle said there are 109 MSHG member with diabetes, 15 members are enrolled and 5 of those members have been adherent to the program. Ms. Loiselle said currently 26 non-enrolled members spending over \$300 dollars on their diabetes co pays when the members enrolled in the program are spending between \$100- \$299. Mr. Mathieu asked if Abacus could provide any other incentives to have more members enroll. Ms. Loiselle said yes and the board decided it would be best for Abacus and the benefit administrators to have a call to discuss the best options on how to let members know it was from the group's health insurance. Ms. Loiselle added Abacus would be willing to attend open enrollment meetings to further educate employees.

### **MSHG Update**

Mr. Nunnally said he is continuing to look at new prospects to join MSHG including the Town of Northbridge and the Town of Oxford. Mr. Nunnally said he would be attending a finalist meeting with the Town of Oxford on Monday to see if the town would join MSHG. Mr. Nunnally included if the Town of Oxford moves forward the next step would be having the Gallagher underwriter do their rates. Mr. Nunnally said he would continue to update the board on any new prospects.

### **Medicare Update**
